

# CODING DRONES

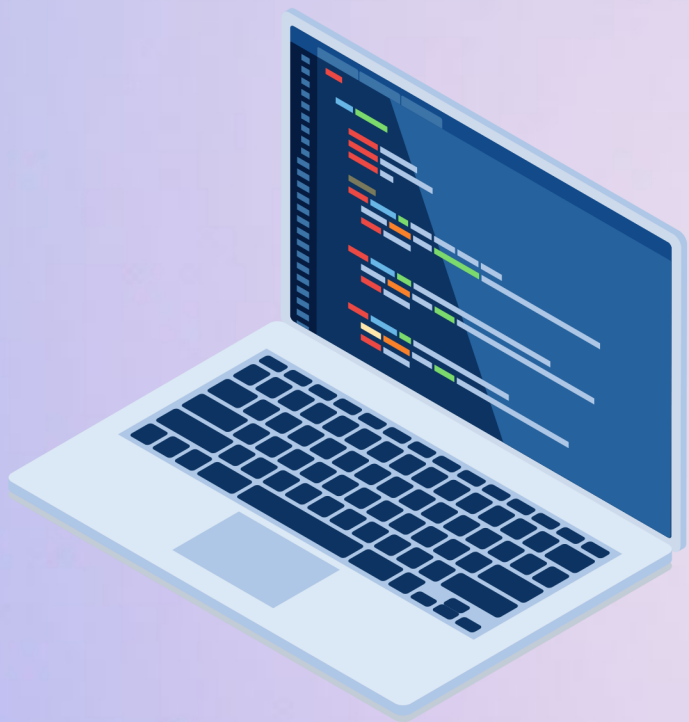

July 24-27

9am - Noon

Lone Cone Library

Grades 6-10

Tuition \$50

Interested in coding?  
Interested in drones?  
Join us for this hands-on camp where we will learn about drones and how to use coding to control their flight. By the end, you'll be flying a drone like a pro!

Contact [info@pinheadinstitute.org](mailto:info@pinheadinstitute.org) for more information and to register.
